GERMANS' SUPREME EFFORT FOR FRENCH COAST---REPULSED

Czar Sweeping Westward With Powerful Momentum—Kaiser Must Send Great Army to Meet Rush

PARIS, Nov. 9.—After a full week's bombardment and repeated infantry assaults followed by a lull in their offensive, the Germans resumed aggressive tactics today against Dixmude and Ypres. But the Bordeaux war office announced this afternoon that the new attack had failed, the lines of the allies remaining intact at all points.

A heavy fog is hampering action of artillery and aviators but despite this the artillery of the allies is reported as advancing slowly along the Lys between the river and Dixmude. Elsewhere the situation is unchanged.

The Bordeaux statement said today's assault in the west is assuredly the supreme effort of the Germans to reach the French coast, and experts also believe this is the last German attempt in this direction before the Kaiser withdraws hundreds of thousands of his troops to meet the formidable Russian advance in the east.

The war office admitted that the allies' advance is slow, explaining that the Germans are heavily entrenched and are resisting fiercely along the Lys river. Continued progress along the Aisne river by the allies is reported.

LONDON, Nov. 9.—That the Czar's army has at last attained full momentum in its sweep west are indicated by numerous dispatches from official sources at Petrograd and the fighting front. Military experts here are astonished at the swiftness of the movements of the Russians. Report after report is arriving, multiplying details of the reported overwhelming Russian victory over the Teutons which is apparently far exceeding anything hoped for by the British war office. The latest dispatches claim that the Austrian-German lines of communication have been wiped out, and that their positions are extremely serious. The Russian war office is reported as rushing motor sledges to the front to facilitate artillery movements during the winter.

It is understood that martial law has been proclaimed in Constantinople, indicating that there must be considerable sentiment there against the war to necessitate such action. It is reported that there are many arrests, court-martials and executions there.

From Petrograd came the report that the Russians have defeated two divisions of Turks in an engagement at Koprueku. The Turkish treasury is reported as empty.

ATHENS, Nov. 9.—The Turks today are holding the British consul at Alvali as a hostage. A British destroyer called to get him but he was not permitted to go aboard. At the same port a Greek steamer which imprudently flew a British flag was sunk by Turks. Telegraph stations at the Turkish ports of Aysasmat and Sarmousse have been bombarded by British destroyers.

An Anglo-French fleet, bombarding Dardanelles forts is rapidly reducing them today, according to information received here. Following the expectation of the forts the allies are rumored to be planning to land marines on the Trojan plain.

LONDON, Nov. 9.—No word has been had this morning from the Russian fleet which last night left Sebastopol upon receipt of word that the Turkish fleet had left the Bosphorus seeking battle. A clash on the seas is expected before night.

AMSTERDAM, Nov. 9.—The Germans have assessed \$10,000,000 war tax against Antwerp, according to the newspaper Eche de Belge.

U. S. MARINES RETURN TO SHIP FROM CAPE HAYTIEN

WASHINGTON, Nov. 9.—The American bluejackets and marines who landed recently at Cape Haytiens on the north coast of Hayti, to preserve order there, have returned to the cruiser Tacoma, according to a message today to the Navy Department from Commander Twining of the Tacoma. It is presumed here, therefore, that conditions in that section of the island must be quiet again after the recent revolution.

SLIGHT QUAKES IN LOS ANGELES LOS ANGELES, Nov. 9.—Internal complications in the earth's body caused two distinct ripples to be felt in Los Angeles and its environs early yesterday morning. The first tremor came at 4 o'clock and the second at 6:40. Both were very slight.

WEATHER FORECAST

For Santa Ana and Vicinity—Unsettled and probably showers tonight and Tuesday; cooler with north-easterly winds.

Savior of Ghent Prevents Sacking His Advice Wins

BURGOMASTER Braun of Ghent saved his city from sack and destruction by the Germans by warning the people to take a lesson from German action in other places like Louvain and Termonde. He advised them to make no resistance to the invaders, and not to shoot from windows as had been done in other cities. The result was that the German troops who occupied the city peacefully have done little damage there.

GOLDEN RULE TO BE LAW FOR LOS ANGELES POLICE

LOS ANGELES, Nov. 9.—Chief of Police Sebastian today issued a general order to all police officers along "Golden Rule" lines to "make Los Angeles a better place in which to live."

The order directed all police officers to be kind and considerate to offenders and to work toward the disposal of trivial misdemeanors without arrest. If the offence is trivial the officer may dismiss the offender with a reprimand. If it is more serious the patrolman is to ask the offender to accompany him to the station where the matter will be referred to the Lieutenant in charge. If a person committing a minor offense does not injure any person or property or commit the offense maliciously, he may be released with a warning. If the offender should be defiant he is to be tried in the usual way.

Officers are to arrest none for intoxication except for his own protection or the protection of others. If the person intoxicated resides on the officer's post, the officer shall take him home, and then report the facts.

Officers are warned against hasty conclusions or letting personal feeling enter into the disposition of cases. Vagrants and beggars will not be arrested but taken to the city limits and released.

NAVAL GUNS FOR VERDUN

PARIS, Nov. 9.—A battery of long range naval guns has been added to the Verdun defense works. War Minister Millerand, after a tour of inspection in Eastern France, has warmly congratulated General Joffre on the army's work on that front.

BURDETTE SAID TO BE DYING

BAYONNE, N. J., Nov. 9.—Members of Mount Carmel Roman Catholic Church of Bayonne, N. J., told of the startling effect of the sermon of the pastor, Father Sigismund Swider, recently returned from Poland and the hospital camps of Vienna, had on his congregation Sunday night.

More than a dozen women swooned and many became hysterical as the priest told of the devastation and horrors he said Germans had wrought in Poland. The congregation numbers 10,000, mostly comprised of Poles employed by the Standard Oil Company.

PASADENA, Nov. 9.—Rev. Robert J. Burdette, widely known preacher and famous humorist, aged 70 years, is believed to be dying at his home today. His family has admitted that his condition is critical.

There was no change at noon in the condition of Burdette. He has been ill for several months but was recently much improved. His relapse came yesterday. His family is at his bedside.

A troop train with men and supplies also arrived at the old Maytorena camp.

Yaqini Anka took up positions to the south and west of Naco, and a column of infantry and cavalry advanced on the west.

The epidemic caused the calling off of the International Live Stock Exposition, which was to have been held in Chicago next month.

ELLIS BOYS LAST HEARD OF AT SAN BERNARDINO

The Ellis brothers of Santa Ana arrived at San Bernardino at 7:57 o'clock, second from the last car to go through. Their engine seemed to be working well. Nothing has been heard from them here since they left San Bernardino.

GUITERREZ NOW QUARANTINE IS PRISONER OF GEN. VILLA

CARRANZA SAYS NEW PRESIDENT REFUSES TO BE DOMINATED BY VILLA'S DEMANDS

RHODE ISLAND AND DELAWARE ADDED TO LIST OF STATES UNDER U. S. BAN

WASHINGTON, Nov. 9.—General Euilio Gutierrez, who was elected president of Mexico at the recent Aguascalientes convention, has been imprisoned by General Francisco Villa, according to a telegram said to come from General Venustiano Carranza, and made public here last night by the Mexican Bureau of Information, same agency that Saturday night announced Gutierrez had repudiated the acts of the convention electing him.

The telegram accredited to General Carranza did not say where the new president had been captured or where he was believed to be incarcerated.

The reason for the seizure and confinement of Gutierrez, the message said, was that he had refused to be dominated by the demands of the Villa faction.

NACO, Ariz., Nov. 9.—Three bodies of Governor Maytorena's Villa troops appeared in their former positions yesterday, seemingly in fulfillment of the promised renewal of the Naco, Sonora siege.

Yaqini Anka took up positions to the south and west of Naco, and a column of infantry and cavalry advanced on the west.

A troop train with men and supplies also arrived at the old Maytorena camp.

The epidemic caused the calling off of the International Live Stock Exposition, which was to have been held in Chicago next month.

Weather Held to Be in Favor of Speed Kings in Daring Three-Day Grind

AT NEEDLES CONTROL

Oldfield first	2:22
Durant second	2:22:03
Beaudet third	2:40

LOS ANGELES, Nov. 9.—Twenty racing automobiles roared into the drifting rain at daybreak in the seventh Los Angeles-Phoenix race. Thousands witnessed the start. The start was without incident save when Oldfield endeavored to attain too much speed in the first hundred yards and skidded dangerously. He was compelled to kill his engine and start again.

The mechanician of car 21 created considerable amusement when he was unable to crank his engine. The driver was finally compelled to leap from his seat and lend his strength amid the good-natured jibes of the crowd.

Oldfield, driving a Stutz, and Durant in a Chevrolet, fought a desperate duel for the lead this afternoon.

From San Bernardino through to Cadiz, they alternated in the lead, Durant holding one minute margin at the latter place. Ford No. 3 was in third place at Cadiz.

The cars were facing a hard rainstorm from Bagdad eastward. The leaders are expected to reach Needles late this afternoon and spend the night in control.

Schnack, driver of Dietrich No. 16 was severely hurt in Cajon Pass when his car overturned, according to a dispatch to a railroad dispatcher here, who instructed a Santa Fe train to stop in the pass and take him to Los Angeles. The extent of his injuries could not be determined, but railroad men insist the report that he is hurt is authentic.

POMONA, Nov. 9.—A Ford car, E. Schnack driver, and C. Schnack, mechanician, led to Pomona. Time, thirty miles in 41 minutes. Crowds lined the boulevard in the rain awaiting the racers and the little Ford received an ovation. Oldfield was loudly cheered. Many cars passed down Holt avenue bunched, and their fighting for position furnished many thrills.

SAN BERNARDINO, Nov. 9.—The Ford led into San Bernardino, 61 miles, time one hour 29 minutes. The majority of the drivers were blackfaced and the cars covered with mud when they passed the control station here. All engines, however, appeared to be working well.

Automobile experts declared the weather favorable, despite the rain, because it would allay the usual suffering from desert dust and heat.

Thousands saw the cars pass here. The course was well policed and there were no injuries. Alco No. 6 broke an axle near here and is apparently out of the race.

The first accident in the race came when Pink in the Thomas car overturned just out of Los Angeles. The driver was slightly bruised but Mechanician Ely continued with the car.

Alco, No. 12, struck a pole at Etiwanda. No one was hurt, but the car is out of the race.

BARSTOW, Nov. 9.—Oldfield, driving a Stutz, led the racers here, followed closely by Durant in a Chevrolet, and Davis in a Simplex.

Baudet in the Paige, Carlson in a Maxwell, Chevrolet in a Chevrolet, Nikrent in Paige, Burns in Stutz, Du Bois in a Cole, Kincaid in a Kincaid Special and Wing in a Metz passed in the order named.

LUDLOW, Cal., Nov. 9.—Durant in Chevrolet No. 2 wrested the lead in the Phoenix race from Oldfield, passing Ludlow one minute ahead. Davis in Simplex No. 4, and Baudet in Paige No. 1 followed in order. The same order was maintained to Hynes.

LABORITES LOOK FOR BIGGEST SESSION

American Federation of Labor
Meets in Quaker City in
34th Convention

PHILADELPHIA, Nov. 9.—One thousand delegates, representing the organized workmen of America, assembled in Horticultural hall here today for the thirty-fourth annual convention of the American Federation of Labor. All looked forward to one of the greatest sessions in the history of the federations, which was organized in this city in 1880.

In addition to the authorized delegates, hundreds of union men from all parts of the country were present to watch the inner workings of a national convention. The committee in charge of the general arrangements planned to care for 5,000 visitors during the twelve days of meetings.

The most talked about single event on the twelve days' program is the historical pageant and parade, along with a court of honor, that is to be celebrated Friday night, November 16.

ber 13. Hundreds of floats, depicting the various crafts affiliated with the mother organization, and 3,000 union musicians, will feature the spectacle. Over 75,000 trades union men have signified their intention of being in line. Two banquets, three theater parties, two professional boxing matches, sight-seeing tours, etc., are the main events in the entertainment program.

The city council of Philadelphia established a precedent in voting \$25,000, which was handed the executive committee of the A. F. of L. to help pay expenses of the convention. No other city in which the Federation has met has ever been so hospitable.

One of the features at Horticultural Hall that is attracting much interest is the comprehensive display of union label products. The hall contained exhibits of the hatters, cigar-makers, broom-makers, moulders, and other union workers' products. The exhibit covered 25,000 square feet of floor space.

BELGIANS CALLED AGAIN TO COLORS

LONDON, Nov. 9.—Another call to the colors has been issued by the Belgian government to all nations. The summons this time is accompanied by an intimation that those not joining voluntarily may be "commandeered."

All Belgians under forty-five years of age, who were previously members of the National Guard, are now allowed to enlist in the regular army, and all unmarried Belgians, between the ages of eighteen and thirty, not wishing to enlist as volunteers, are informed that they "may be commanded and their services employed in different works for the army."

The Belgian correspondent explains that the object of this order is to get all the able bodied soldiers back to the front and to induce as many others as possible to join the army, and, secondly, to relieve the British public of the necessity of providing for Belgians who ought to be helping in the struggle to dispossess the invaders.

MEATS CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys if Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Advertisement.

HOUSE AND BARN ON RANCH NORTHWEST OF ORANGE BURN

Neighbors With Buckets Prevent Spread to Calvin Gregg's Home

The ranch house and barn buildings on the Albert Small place, about three miles northwest of Orange, were totally destroyed by fire Sunday morning about 10 o'clock. Mr. Small lives in Orange and J. F. Edwards, a man recently hired to do some work on the place, was the only one on the premises when the fire occurred. Edwards says he had started a fire in an oil stove and then went out to another nearby building. It is presumed that the oil stove exploded, for on Edwards' return within a few minutes the room was in flames. The fire spread to the barn and both buildings were destroyed.

A strong east wind was blowing and for a time the buildings on Calvin Gregg's ranch just across the road, were threatened. Quick work on the part of neighbors, who formed a bucket brigade, kept the Gregg buildings saturated with water and saved them from destruction.

The stock, wagon and implements in Small's barn were saved, but the building, which contained a quantity of hay and sweet potatoes, was a total loss.

TOOL-BOX AND TOOLS STOLEN LAST NIGHT

On going to work on a building being constructed on East Fourth street between Garfield and Lacy streets, C. R. Stamp found that someone had taken away his tool-box and his carpenter's tools. The matter was reported to the police.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair naturally beautiful, dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell if it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two it becomes alive, beautifully dark, glossy, and abundant.—Advertisement.

TALBERT SUGAR BEET DUMPS CLOSE FOR SEASON

Contractor Starting Work on Boulevard—Worms and Bugs Damage Celery

TALBERT, Nov. 9.—All the beet dumps in this vicinity have wound up their business this week and have closed for the season. They report a very successful year in the handling of the crop.

S. E. Talbert has twenty men employed this week cleaning out the Santa Ana river and making the levee stronger where it is necessary.

Luna Pickett of Long Beach spent the week-end with her sister, Mrs. Roy Manley.

D. M. Baldwin is having one acre of land on the mesa prepared for raising cactus for feed. This is just an experiment with Mr. Baldwin and if he is successful he expects to put out a big crop of it.

G. W. Wells of New York City is visiting his uncle, L. T. Wells, and he expects to spend the winter in Southern California.

Some of the subscribers have received a copy of the special edition of the Register and they are delighted both with its appearance and its contents.

Friday evening at the Japanese hall, the Epworth League had its regular monthly meeting together with a social and good time for all. A program was carried out consisting of songs, games, etc. Light refreshments were served.

Early Friday morning the wife of W. Watanabe, a Japanese, who lives just back of the store, died. She was 42 years old and had been sick for the past three months. She was carried to Huntington Beach to the Burnschein undertaking parlors Friday and was buried in the Huntington Beach Cemetery Saturday. The Japanese minister from Los Angeles conducted the funeral service.

In the big blacksmith shop of S. E. Talbert, there is being installed some new machinery this week. One of the new improved horse-clipping outfits is in operation now and it is giving satisfaction in every way.

Work on the boulevard between the Huntington Beach Cemetery and Greenville station has been started up and the contractor, Max Habermann, has been looking for a location in this vicinity for his camping outfit. The boulevard is expected to be finished within the next two months. The celery crop in this section is not as good as it was last year. There has been considerable damage done by the worms and bugs.

S. E. Talbert has just taken a contract to plow one hundred and fifty acres for G. M. Wright one mile west of Wintersburg.

J. C. Leck of San Juan Hot Springs has been looking over the roads between here and the springs with S. E. Talbert to find out where any improvement is necessary.

NOTICE

To the Contributors of a \$500 Fund for Enforcing the Prohibitory Ordinance of Santa Ana:

On April 5, 1905, at a meeting in the opera house in this city, a fund of \$500 was raised by subscription, to be deposited in some bank subject to the order of the city council and a committee of three chosen by the meeting to co-operate and advise with the city council in the selection of a special police officer to be appointed by the council, whose sole duty it should be to attend to the enforcement of the anti-saloon ordinance for six months from that date; the salary of the special officer to be paid from the fund.

We, the undersigned, and George S. Clark were the committee appointed, the money was deposited in the First National Bank of this city, and there still remains there over \$400 unused. We, therefore, call a meeting of all of the subscribers to said fund at the City Hall in Santa Ana, on Tuesday, Nov. 10th, at 7:30 p. m. to instruct us with reference to the disposition of said remaining fund.

Dated, Santa Ana, Cal., Nov. 2, 1914.

GLENN MARTIN GETS OFF EASY--GOODLER FIGHTS FOR LIFE

SAN DIEGO, Nov. 9.—That Captain L. E. Goodler, Jr., U. S. army aviator, injured in an aeroplane fall at North Island with Aviator Glenn Martin last Thursday, is suffering from internal injuries in addition to a broken leg, was the report received last night from Agnew Sanitarium. The intrepid army aviator is making a gallant fight for his life. His father, Lieutenant Colonel L. E. Goodler, and mother are in constant attendance at his bedside. Martin is recovering rapidly and will be able to leave the hospital soon.

A FORGOTTEN SEA TRAGEDY BROUGHT TO LIGHT BY RELIC

Los Angeles Examiner.—A reminder of a forgotten maritime tragedy, perhaps of the days when scores of ships sailed around the Horn during the gold rush, was uncovered in the sand yesterday at Santa Monica. Just north of the Long Wharf, at the foot of the Santa Ynez Canyon, James Hadden of Venice found a barnacle-covered timber, which, evidently, was once part of the stern of some big sailing vessel. "Mercury, 1812," were decipherable when the barnacles were removed. The relic had recently come ashore, as the barnacles were still another application or two it becomes alive, beautifully dark, glossy, and abundant.—Advertisement.

A COUNTY FAIR—YES!

The proposition, under consideration by the Santa Ana Chamber of Commerce, to hold an old-fashioned county fair in Santa Ana, should receive the support of citizens generally.

The social and economic value of county fairs in strictly agricultural districts like Orange county is unquestionable. And the conditions in this county for such a fair are ideal. Probably nowhere else in the world are the products of the soil so large and so varied as in this county; and certainly nowhere else are climatic conditions, at all times of the year so favorable to the holding of an out-door exhibit and celebration.

A good big old-fashioned county fair once year in Santa Ana would do much to improve our farming methods, would get the people of the county acquainted with each other, would allay sectional strife, and would be a tremendous advertisement for the county's resources.

By all means let's have a county fair.

"TRIBUNE" AND "EXPRESS"

Yesterday's Los Angeles Tribune contained a large number of expressions of appreciation of the great fight The Tribune and The Express—the Earle papers—have made on behalf of the people against the bosses.

These expressions of appreciation are richly deserved, as The Tribune and The Express are the only metropolitan papers in Southern California that have stood with the people in their titanic struggle against entrenched political privilege. These papers have consistently, persistently and effectively turned on the light and kept the issue clear and the results of last Tuesday's election show conclusively that the people of Los Angeles, especially, and of all Southern California, are with them.

Certainly the whole state owes The Tribune and The Express a debt of gratitude for their great and winning fight against tremendous odds.

ARTIFICIAL LIGHT

The sun is low in the horizon when November comes. Soon the shortest days of the year will be with us. There is an element of melancholy in their coming. Also the absence of daylight is an economic problem of some importance.

Defective eyesight is one of the handicaps on human labor. This infirmity is largely due to carelessness in use of the eyes under artificial light. When middle-aged people were young, books and newspapers were invariably printed in much finer type.

It was very difficult to get the standard authors in legible typography. Many famous newspapers were dressed in what is now called "six point," considered fit now for nothing but legal notices inserted as a matter of court form.

In the old-time home, the toilsome women still stuck to their black work and delicate embroidery, even if the little oil lamp failed to distinguish the thread from the material. They still do such work with imperfect illumination. If your children have to put on spectacles at a precocious age, it is usually because you or your parents abused your eyes.

In the country districts many factories still try to get along with oil lamps. The imperfect lighting creates an atmosphere of gloom, which affects the energy of the force. Tools and material slip out of sight and the results are unproductive. Farmers blunder around their barns with lanterns, many of which are upset, and a

high price is paid in the form of insurance. Modern lighting systems are a wonderful substitute for sunlight, and render eye-strain needless. One can well care for his eyes with modern oil lights, though they are not fitted for large working quarters. But good facilities do not remove human carelessness. How many people there are who sit reading in a darkening room at twilight, simply too indolent to get a better light. A host of people earn a living by relieving the eye strains caused in such ways. Great factories make optical goods, and people line up in the waiting-rooms of costly opticians.

AGRICULTURAL SPECIAL ARRIVES AT FORT WAYNE

FORT WAYNE, Ind., Nov. 9.—To advertise the peculiar agricultural and commercial advantages of New York state is the purpose of the tour of the "Agricultural Special" which arrived here today on its railroad journey through the Middle West. The train, which was sent out by the New York State Agricultural Department under the direction of Charles W. Larmon, an agricultural expert, carries lectures, moving picture operators, film literary material and genuine products of the Empire State's soil.

AMERICAN ROAD CONGRESS MEETS

ATLANTA, Ga., Nov. 9.—Delegates arrived here today for the fourth annual convention of the American Road Congress. Various types of roads and road-making, and campaigns to boost the "good roads" propaganda will be discussed.

CASUALTIES IN FINAL ATTACK ON TSING-TAO

TOKIO, Nov. 9.—In an official communication issued by the war office it is stated that the conditions of the surrender of Tsing-Tao were concluded Saturday and that the Japanese conditions were accepted in their entirety. The Japanese casualties the night of November 6 and the following morning, when the forts were captured, were fourteen officers wounded and 426 soldiers killed or wounded. The Japanese took 2300 prisoners in the battle.

CANAL DOUBLES WATER TRAFFIC OF PUGET SOUND

SEATTLE, Nov. 9.—The opening of the Panama Canal has more than doubled the water traffic between Puget Sound and Atlantic coast ports, but the increase would have been vastly greater but for the war. The leading company using the canal says shipments of wheat, flour and salmon to Europe are large and must continue so during hostilities. The lumber trade was greatly depressed before the war broke out and shipments continue to decrease.

NOTHING ALARMING AT VERA CRUZ—FUNSTON

WASHINGTON, Nov. 9.—Assurances that there is nothing alarming in conditions at Vera Cruz were given yesterday in a cablegram from Brigadier General Funston to Secretary Garrison. Rumors of anti-American agitation and of possible attacks upon the American outposts by Mexican forces had caused Mr. Garrison to ask for information as to the situation.

General Funston's dispatch follows:

"There is nothing alarming in local conditions. Many unusual rumors have prevailed for some time. I think it better to discredit all such rumors."

BAKERSFIELD'S NEW CHARTER

BAKERSFIELD, Nov. 9.—Bakersfield has adopted its new charter by a vote of 2347 to 1217, a majority of 1130. The charter was opposed by the old guard, which carried only one precinct, that which contains the remnants of the red-light section. The charter provides for the manager plan and ward representation. It will now go to the State Legislature for approval.

HOTEL GREEN OPENS AT PASADENA FOR WINTER

PASADENA, Nov. 9.—Pasadena's winter hotel season, expected to be the most brilliant in the history of the four big local caravansaries, began yesterday with the opening of the famous east wing of the Hotel Green. Entirely remodeled, the big section of the hotel east of Raymond avenue presented a beautiful sight to the gaze of the throngs of townspeople and early visitors to the Southland from the East who passed through the spacious corridors and various dressing rooms and suites.

Over fifty guests registered yesterday. This number will be augmented greatly with the registering in the next few days of a host of regular guests who have been in town for several weeks past and have been awaiting the opening. Charles Schwab, former president of the United States Steel Corporation; former President Charles Brown of the New York Central Railroad and others of the Green's regular winter patrons have made reservations and are expected here soon. The west wing of the hotel will be opened within a week.

Thanksgiving day will see the rebuilt Hotel Maryland opened formally and in succession immediately the Hotels Raymond and Huntington will open.

CLABY FIGHTS CHIP TONIGHT

SAN FRANCISCO, Nov. 9.—Jimmy Claby, the Hammond, Indiana, mid-lightweight, and George Chip of New Castle, Pennsylvania, were scheduled to meet at Daly City tonight in a twenty-round bout. The winner will generally be recognized on the coast as the world's middle-weight champion.

—It Really Does Relieve Rheumatism

Everybody who is afflicted with Rheumatism in any form should try Sloan's Liniment. This minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the sore part, relieves the pain, gives a swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against colds, rheumatism and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.—Advertisement.

TITLED NURSE BURIED WITH MILITARY HONORS

BERLIN (via London), Nov. 9.—Baroness Valkenhausen, a volunteer Saxon Red Cross nurse, who was killed by shrapnel while attending the wounded, near Sisson, was the first woman victim on the German side during the war. She was buried with military honors and the Kaiser sent an iron cross, which was placed on the coffin.

ROYAL WELCOME

Surprise Greets Newly Weds at Cain Home; Neighbors Join in Event

A royal welcome and surprise greeted Attorney Morris Cain and bride last Saturday evening at the home of Mrs. Allie Cain, 1906 North Main street, mother of the groom. The home was beautifully decorated throughout, red geraniums being used extensively in the dining room, with a pink and white color scheme in the library and parlor. The neighbors, having made all arrangements, were comfortably seated when the bride and groom walked in to spend what they had supposed was to be a quiet evening with their mother. After felicitations the evening was passed quietly in games and music and the presentation of an elegant rocker by Prof. B. F. Beswick in behalf of the neighbors. The hostess, Mrs. Cain, who was assisted by Homer and Oneita Cain, Dorrell and Vivian Pierce, served a delicious fruit sherbet and cake.

Those sharing in the pleasant event besides the hostess and the honorees were Prof. and Mrs. Beswick, Mr. and Mrs. W. G. Gould, Mr. and Mrs. J. G. Morrow, Mr. and Mrs. J. R. Paine, Mr. and Mrs. J. W. Elliott, Mr. and Mrs. Walter Eden, Mr. and Mrs. E. T. Brannon, Mr. and Mrs. W. T. Merigold, Mr. and Mrs. O. S. Witt, Mr. and Mrs. Walter Hall, Mr. and Mrs. K. B. Pierce, J. M. Talcott, Mrs. J. S. Collings, Miss Blanche Collings, Miss Elizabeth Easton, Miss Helen Jackson, Miss Elsie Wingood, Miss Elsie Elliott, Miss Vivian Pierce, Miss Oneita Cain, Messrs. Dorrell Pierce, Willard and Homer Cain.

Four-Course Supper

Miss Elizabeth English, at her apartment, 1408 North Main, gave a four-course supper Saturday evening at 6:30 o'clock to a few of her classmates in the study of Spanish. Smilax was entwined with yellow streamers in the parlor and dining room. A large bouquet of scarlet geraniums made a bright centerpiece for the table and the red and yellow tints were carried out in the supper at which Spanish bean soup, chili con carne, tortillas, Spanish rice, salads, honey doughnuts, coffee and other good things to eat were served. Mrs. E. E. Bruce, an aunt of Miss English, provided for the successful affair. Hand-painted place cards bearing an old mission design, the handwork of Miss Edith Romer, marked the plates.

A guessing contest followed the supper. "The Story of a Shirt Waist" engaging the contestants, Miss Doris Hutchens winning a prize for successfully answering the greatest number of questions. Miss Mabel Simons was prize-winner in a blindfold game and Miss Vera Finster was the winner of a prize awarded for the carrying of a potato to the blade of a knife.

Besides the hostess, Miss English, those enjoying the evening were Miss Elsie Raitt, Miss Vera Finster, Miss Doris Hutchens, Miss Edith Romer, Miss Mabel Simons.

Tustin Twelve to Meet

The Tustin Twelve will hold an all-day meeting Tuesday at the home of Mrs. George Pollard, and it is hoped all the ladies of the club will turn out for this meeting. An interesting time has been prepared for.

Personals

Mr. and Mrs. Henry Remmers and daughter, Maime, and Mr. and Mrs. Clyde Cannon of Pasadena were over Sunday guests of Mr. and Mrs. Frank Cannon.

Mr. and Mrs. Gates from Taft are spending a few days with relatives and friends in Santa Ana.

Mrs. J. A. Bailey will go to Tuesday to Phoenix, Ariz., to attend the State Fair there and also to visit friends a few weeks.

Mrs. Margaret Lacy of San Bernardino was here over Sunday visiting relatives.

Mr. and Mrs. George Balderston had a delightful automobile trip to Riverside Sunday, staying over Sunday at the Glenwood.

M. F. Cloves and family and guests from Garden Grove motored to Riverside Saturday and were weekend guests at the Raymord.

C. P. Kryhl and wife and party en-

joyed an automobile trip to Riverside.

Mr. and Mrs. Clyde Horton and family motored to Corona Sunday, returning last evening.

M. Nisson and a party of men motored to Riverside Saturday.

Rev. J. A. Stevenson was a morning traveler on a Los Angeles-bound car today.

Miss Enid Wilson returned last evening from an over Sunday visit to Los Angeles.

Arthur Lyon and John Tubbs were passengers on the "Howdy" special which left Los Angeles this morning and will arrive at Phoenix in time for the finish of the automobile race.

Mr. and Mrs. C. V. Davis, Mrs. Ann Bradshaw, Mr. and Mrs. A. W. Rutan and Harriet Rutan motored to Los Angeles yesterday afternoon in the seven-passenger Buick recently purchased by Mr. Davis.

Mr. and Mrs. E. Dickey and daughter have gone to Sturgis, South Dakota, where they will reside on a farm taken in trade for the Dickey's Santa Ana home.

Miss Adele Vance of Los Angeles was the weekend guest of Miss Margaret Robertson.

The gentlemen are cordially invited to attend the reception on Tuesday night, and it is hoped they will be present in large numbers.

It is a matter of much regret that at this late date word has been received that the San Diego exhibition pictures cannot be shown here Thursday night as planned, as it has been found impossible to have them ready by that time. On Wednesday afternoon, however, Mrs. Florence Collins Porter will lecture on the two California expositions, and the lecture will be profusely illustrated with lantern slides.

Dunbar Bell Ringers

Some idea of the standing of the Dunbar bell ringers who are to open the Y. M. C. A. lecture course in Santa Ana on Wednesday evening, may be gained from the fact that they have been selected to open the course of the great Trinity church in Los Angeles. Their popularity is proven in that they are booked for every entertainment course in Southern California where dates could be arranged for them.

Of course, the outstanding feature of their program, in spite of the excellence of their quartet work, readings, etc., is the playing of the magnificent set of bells that they use. There are over two hundred bells in the set. They were manufactured by John Taylor and Company of Loughborough, England. This company has been making bells for over four hundred years, the business being handed down from father to son. This company made the famous bell at St. Paul's Cathedral, which weighs five tons. Also the great bell at Moscow. This company is easily the superior of any other engaged in the same business.

The same peal of bells will be used by the Dunbars in Santa Ana as was used by them in their tour of Europe.

LIVE NEWS GATHERED FROM NEARBY TOWNS

HUNTINGTON BEACH

BEACH LIKELY TO COLLECT TAX

Proposed to Have the Assessment Done by City Instead of by County

HUNTINGTON BEACH, Nov. 9.—Several interesting matters were discussed by the Board of Trustees of the city at their last meeting. One point that came up again was the collection of the city taxes by the city instead of by the county tax collector. A protest was entered by the Tent City Company, presented by C. W. Warner, on the ground that the change would prove more expensive. It was also objected that a raise in the value of property for the purpose of city taxes might also lead to raise for county purposes. The protest, however, was overruled.

The matter of dispensing with certain fire hydrants as a means of retrenchment was discussed, but it was agreed that none of the hydrants could well be dispensed with. The Huntington Beach Company was instructed to remove the lights between the pavilion and bath house as the city was no longer willing to pay for the electricity for lighting this property.

Louis A. Cronk, an attorney who has had an office in the city for some time, has now moved his residence to this place. He will keep his office in Los Angeles open for the present but intends eventually to make this city his only headquarters.

Mrs. S. L. Blodget and Mrs. Mae Weid will be nestles to the Woman's Club at its meeting next Tuesday at the home of Mrs. Blodget. The papers to be given are "German Woman and Her Work" by Mrs. Zella Thompson, "Peasant Life and Labor" by Mrs. Amy Johnson, and "German Industries," Mrs. Louise Corbett.

The executive board of the Orange County W. C. T. U. will hold an annual meeting at the Baptist church Thursday.

Mr. and Mrs. Franklin Gowen of Crystal street, who have been spending the summer in Maine, have returned to Huntington Beach.

The high school won its first basketball game of the league season from Anaheim Friday afternoon at Anaheim by the score of 33 to 11. A large number of rooters accompanied the team. The team has won all of the practice games played so far this year with the exception of a game with Long Beach which was lost last Wednesday.

WELL DESERVED

The Praise That Comes From Thankful Santa Ana People

One kidney remedy has known merit.

Santa Ana people rely upon it. That remedy is Doan's Kidney Pills. Santa Ana testimony proves it reliable.

S. H. Whitehead, 607 W. First st., Santa Ana, says: "For several years I had pain and weakness in my back. Lifting or the least exertion caused me to suffer. If I took cold, I was almost disabled by a distressing pain in my back. I had much trouble with the kidney secretions, too. Sometimes they passed too frequently, then again the flow was scanty and painful. I could see a change for the better after I had taken a few doses of Doan's Kidney Pills. It wasn't long before all the kidney ailments were relieved."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Whitehead had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advertiser.

Mr. and Mrs. Vernon Hall, who have been visiting at Wintersburg, are now staying here for a few days before their return to Arizona.

E. C. Rittie, best expert of the United States government, gave an interesting talk on beet culture to the high school students and visitors Friday morning at 11:30. A number of farmers and others were present, some coming from a distance of seven or eight miles. Mr. Rittie discussed methods of plowing, preparing the ground and seeding, as well as care of the crop, including irrigation, thinning and harvesting.

He laid especial stress on faulty methods of beet thinning which is frequently done under contract by our foreign population with the result that not sufficient care is taken to preserve the strong, vigorous beets and inferior plants are allowed to grow. He said that this is the cause of great financial loss to the owner as care in thinning would add great quantities to the tonnage and thus bring the profits of the raiser to a much higher point.

T. B. Talbert, president, and J. K. Macdonald, secretary of the local oilcloth and linoleum company, were in attendance at the New Industries' night held by the Los Angeles Chamber of Commerce.

Arnold Walker suffered a painful, though not serious accident while hauling hay at his home. The big derrick fork he was using struck him in the face just below the eye and pierced the cheek, the prong projecting into his mouth. He was treated at the Santa Ana hospital. Several stitches were taken.

ORANGE

ATHLETIC CLUB IS AN EASY WINNER IN BASKETBALL GAME

(By Staff Correspondent)

ORANGE, Nov. 7.—In one two-sided game last evening the Orange Athletic club and Orange High School won a double victory over Fullerton Y. M. C. A. and Company D of Pomona. As expected Orange Athletic Club had an easy time with Fullerton and piled up a score of 66 to 18. The second game was rather a surprise. Orange High found themselves against a team of older and larger men and the 41 to 10 score they registered against Pomona was hardly expected. Dyer was the scoring star of the high school team, while Potter, Spotts and Hodson played strong games both on defense and offense. Several subs were tried out in the second half after a safe lead had been established.

Orange High lined up with: Dyer, Wallace and Batterman, forwards; Spotts and Clough, center; Potter, Hodson and Nordeen, guards. Orange A. C. lined up as follows: Thompson, Park, Semus and Peterkin, forwards; Pine and Whitlock, center; Slater, Pister, House and Watson, guards.

The D. M. C. Embroidery Club was very pleasantly entertained yesterday afternoon by Mrs. H. O. Mantor at her home on South Glassell street. The house was prettily decorated with smilax and fern. The members brought their fancy work and spent a busy afternoon, which was concluded with refreshments.

Those present were: Mrs. Henry Campbell, Mrs. E. E. Campbell, Miss Elma Campbell, Mrs. B. D. Stanley, Mrs. C. S. Head, Mrs. Walter Lovell, Mrs. Leo Armstrong, Miss Armstrong, Miss Beatrice Cole, Miss Ann Williams, Mrs. Earl Varley, Mrs. Owen Murray, Mrs. Dorgelow and Mrs. H. O. Mantor.

Gladys Moore of El Modena left this morning for an over Sunday visit with relatives in Whittier.

Mr. and Mrs. Arthur Fullerton will leave shortly for Lindsay, where they expect to remain for a few weeks.

Charles Dyer and Carl Pister went to Los Angeles this afternoon to attend the Occidental-Arizon football game.

A crowd of Orange people participated in a barbecue last evening given near the fourth crossing in the Santiago canyon. A splendid time is reported by those in attendance. The menu included beefsteak, ice cream and numerous other good things and it was a late hour before departure was considered. About forty men and women were present.

Roscoe Unland of Los Angeles arrived this morning for a weekend visit with his brother, S. G. Unland and family.

Mr. and Mrs. F. J. Decker and family motored to Newport Beach yesterday.

Hazel Campbell, daughter of Mr. and Mrs. D. F. Campbell of South Cambridge street has been quite ill, but is improving at present.

W. Wilson of Long Beach is here looking after his property interests today.

Mrs. James E. Cooper and her daughter, Mrs. June Ouer of Inglewood, were here on business yesterday and also called on some of their old friends. They lived in Orange about eighteen years ago.

I. E. Lee and J. E. Simons of Los Angeles, who are representing the Fraternal Aid Union, were in Orange last evening and today in the interest of the order.

Miss Elsie Martinez of Los Angeles is a guest at the S. G. Unland home and will probably remain for ten days or two weeks.

A Thanksgiving dinner will be served at Taylor's. Phone for reservations now. Tables will be filled but once.

GARDEN GROVE

SEND WALNUTS TO EXPOSITION

Superior Quality Product of Fine Section to Be Given Away at Fair

GARDEN GROVE, Nov. 9.—Chester Lee, secretary of Garden Grove Walnut Association, reports that the association will be represented at the San Francisco Exposition by four sacks of choice walnuts to be exhibited and given away as souvenirs to various representatives of states and nations. This section grows as fine walnuts as are grown on earth, and its product will easily be recognized as superior.

Garden Grove Grammar school played Anaheim Fremont school Friday afternoon. The score was 5 to 5. Miss Doris Thomas and Miss Chrysabel Thomas leave for Banning Tuesday. They expect to be gone some time.

The eighth grade of the Garden Grove Grammar school held a class party at the Junkin residence on Ocean avenue, Friday evening, Nov. 6. The rooms were tastefully decorated with chrysanthemums and crepe paper. The early part of the evening was spent in interesting table games and other indoor amusements, after which the young people enjoyed an hour of outdoor sports in the Y. M. C. A. athletic courts across the street. Following the games, delicious refreshments of pineapple ice, cake and candies were served under the grape arbor, which was artistically lighted by Chinese lanterns and electricity. The long table was decorated with ferns and roses. About twenty-three of the students and their teacher, Prof. Fitz, were present. At an early hour the party broke up. Mr. Junkin took some of the guests in his machine to their homes.

Mr. and Mrs. E. Beardsley started Monday morning for Phoenix, Arizona, where they expect to spend the winter if the climate proves beneficial to Mr. Beardsley's health.

Saturday's Game

Garden Grove's baseball club defeated the fast Los Angeles Trust and Savings Bank club at Garden Grove Saturday afternoon by 2 to 1. It made the sixth straight game won by Garden Grove. The feature of the game was the pitching of "Dutch" Heinrichs who twirled big league ball for the winners, allowing but three hits and striking out fourteen of the bankers.

The score by innings: L. A. T. & S. Co. 0 0 0 1 0 0 0 0 1—Garden Grove .2 0 0 0 0 0 0 0 2—Batteries—Garden Grove, Heinrichs and Le Grand; L. A. S. & T. Co., Menzelman and Du Ray.

Sunday's Game

Claire Head pitched masterly ball for Garden Grove against the Elsinore club at Elsinore, yesterday afternoon, winning his game with ease, 12 to 6. Head had the boys at the lake at his mercy, using his famous "toe-bean ball" and speed. He fanned ten and allowed but seven hits and never was in danger of losing his game. With three on bases in the fourth inning, Mott lost the ball in the lake for a run, thus practically winning the game for Garden Grove, and from then on the boys from the Grove knocked three Elsinore heavy from the box.

The score by innings:

Garden Grove .2 0 0 4 2 0 2 2 0—Elsinore .2 0 0 0 4 0 0 0 0—6

Batteries—Garden Grove, Head and Le Grand; Elsinore, Brown, Bell, Johnson and Kroll.

Grove Notes

Several new houses in Garden Grove are almost ready for occupancy. The plastering is finished and the painting is now being done.

Mr. and Mrs. Tom Kerner and daughter arrived from South Dakota on Saturday. They are stopping at the home of Mrs. Kerner's brother, J. U. Kerner for the present. They expect to remain here permanently and are looking for a suitable location.

Los Angeles Produce Market
Owing to the slow demand for California almonds the market yesterday declined from 1 to 3 cents on various grades. In the east dealers are not buying heavily, taking just enough stock to carry for immediate demands. Considerable uncertainty has been given the prevailing conditions because of the possibility of foreign almonds reaching here.

This same condition applies largely to walnuts and a decline of about 1 cent was recorded all through the list of this product, the association prices having failed to stand up. This places the market here about 1/2 cent lower at this time than it was at the same date last year.

Eastern nuts are arriving freely. Hickory nuts, black walnuts and a few butternuts have been received and prices range from 8 to 12 cents a pound on the different varieties. Peanuts from Texas are also coming in. Chestnuts have been on the market for about three weeks and are largely California product. Eastern chestnuts are not arriving plentifully yet.

NOTICE TO CONTRACTORS

New Buildings at the Orange County Farm

Notice is hereby given that sealed bids will be received for the erection and completion of a cottage, pump house and dormitory building for the County of Orange, at the County Poor Farm; at the West end of Chapman Avenue, Orange County.

Plans and specifications are on file at the office of the County Clerk at the Court House, Santa Ana, California, and copies may be obtained from the Architects, Mr. & Mrs. Winbigler, Regent Building, giving a deposit of \$100.00 which will be refunded if said plans and specifications are returned at the time stipulated when received. Each bidder will be required to make a further deposit of \$100.00 payable to the County of Orange as a guarantee that he will submit a bid. In the event of failure to submit such bid the bidder will forfeit the said deposit to the County.

All bids will be submitted on forms to be obtained from the Architects, and are to be accompanied by a certified check equal to 5 per cent of the amount of such bid. All bids to be sealed and delivered at the office of the County Clerk on or before 10 a. m. Tuesday, November 17th, 1914, at which time bids will be opened by the Board of Supervisors at their regular session.

The successful bidder will be required to furnish two approved bonds. One for 50 per cent of the contract price, to be paid by the state, also a bond of 25 per cent to the County as a guarantee that the Contractor will complete the work according to the terms of the contract.

The successful bidder will be required to furnish the County with an affidavit stating that he has taken out insurance as required by the laws of the State to insure employers against liability for compensation under the Workmen's Compensation Insurance and Safety Act, said insurance to be continuing and to cover all liability for accident or injury under said contract.

The attention of all bidders is called to Section 550c of the Penal Code of the State of California.

The County of Orange, by the Board of Supervisors reserves the right to reject all or any bids.

The Board of Supervisors of the County of Orange, State of California, November 4th, 1914.

W. B. WILLIAMS,
County Clerk.

FRENCH LEAVES PROPERTY IN TRUST

Rossmore Hotel Deeded to Trust Company With Miss French Beneficiary

PIONEER'S WILL IS NOT YET PUT ON FILE

Estimated That C. E. French Left an Estate Valued at Over \$500,000

Trust deeds have been recorded by which a portion of the estate left by C. E. French, wealthy Santa Ana pioneer, goes to the Orange County Savings and Trust Company of Santa Ana in trust.

By one of the deeds the Rossmore hotel property passes to the bank with Miss Ethel French as beneficiary, and the building adjoining the Orange County Savings and Trust Company on the east goes to the bank with Elizabeth B. Waugh, a sister of Mrs. C. E. French, as beneficiary. Another deed was put on record in Los Angeles county. By that deed a business block on Broadway, Los Angeles, is deeded to the bank in trust for Mrs. E. B. Burns of Santa Ana, daughter of C. E. French. Under the trust deeds the bank will handle the properties during the lifetimes of the beneficiaries.

C. E. French left an estate estimated to be worth over \$500,000. His will has not yet been filed for probate. Its provisions for other property and relatives thus mentioned alone have not been made public.

THREE AMERICANS SLAIN IN MEXICO

Mexican Bandit Gang First Robbed Americans Then Executed Them

EL PASO, Tex., Nov. 9.—Three Americans have been murdered by the Mexican bandit group commanded by Santa Ana Caraveo in the San Miguel range north of Medera, Chihuahua, according to advices brought to the border by Americans. The victims are Robert Bishop, a cattle buyer, his assistant, named Eccles, and an American negro cook.

A Mexican cowboy stated that the party of Americans encountered the Mexicans in the San Miguel mountains, which are on one of the Terarezas ranches. The filibusters arrested the Americans, stripped them of their clothing, took several thousand dollars from Bishop and took their horses. The bandits then decided they would kill the Americans and their execution immediately followed.

Caraveo is the convicted slayer of Edward Hayes of Buffalo, N. Y., an American employee of the Madera Company, Limited.

"TIZ" FOR TIRED SORE, ACHING FEET

Ah! what relief. No more tired feet; no more burning feet, swollen, bad smelling, sweaty feet. No more pain in corns, callouses or bunions. No matter what ails your feet or what under the sun you've tried without getting relief, just use "TIZ." "TIZ" draws out all the poisonous exudations which puff up the feet; "TIZ" is magical; "TIZ" is grand; "TIZ" will cure your foot troubles so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired. Get a 25 cent box at any drug or department store, and get relief.

HAVE YOU NOTICED

that all the \$3000.00 to \$5000.00 cars have force pump circulation of water through their radiators? Sure they do. Why should a motor have to boil the water before it can circulate? There is but one answer: The pump would make the car cost more money to manufacture!

WILL THEY BE WET FOR NEXT EIGHT YEARS?

Passage of No. 47 Concerns Two Localities Only in Orange County

Has Amendment No. 47 carried? That question is of a good deal of interest as concerning Anaheim and Newport Beach. The rest of the county will remain dry, as it is now, but if No. 47 has carried, there can be no election on saloons in Anaheim or Newport Beach for eight years.

Yesterday a dispatch from Sacramento stated that the amendment had lost. Another dispatch, dated earlier, said it had carried. The outcome may not be known until the counties make their official count.

Under No. 47 the vote on No. 2 would establish whether or not a territory is wet or dry. There are three subdivisions under No. 47, an incorporated city, entire supervisorial district in which there is no city incorporated and portion of supervisorial district outside of incorporated city. If one of these subdivisions voted wet on No. 2, it becomes wet territory, under No. 47.

In Orange county every incorporated city, except Anaheim and Newport Beach, gave a majority dry vote. Every supervisorial district outside of incorporated cities in Orange county, voted dry. In fact, but few precincts of the county, outside of Anaheim and Newport Beach, gave a wet majority. Brea, Bay City, Delhi, San Juan, San Joaquin, El Toro and Trabuco, voted against California dry. Several of those precincts are in the fifth supervisorial district, but Tustin with a vote of 438 dry to 143 wet prevails. The district far beyond the possibility of being wet.

So far as the canvass has progressed, no changes of any consequence have been made.

The canvass shows that three justices of the peace of the county were defeated for re-election. W. T. Callahan, D. W. Hasson in Buena Park township; A. Philbrick defeated Roy G. Parker in Los Alamitos township, and C. W. Warner defeated J. W. Shirley in Huntington Beach township.

VESUVIUS CRATER CHANGING UNDER PRESENT ERUPTION

NAPLES (via Rome), Nov. 9.—After seven years of calm since its eruption in 1906, which was one of the longest pauses in its activity in three centuries, Mount Vesuvius began an eruption in May, 1913, which has been constantly growing until it has now reached an acute stage.

The crater, 1000 feet deep, is gradually transforming itself through the opening of new fissures. These are emitting incandescent matter known as magma, which on contact with the air becomes lava.

RAINFALL OF NIGHT ADDS PART OF INCH

Last night's rain added .34 in. to the season's rainfall, which is now 1.75 in. The rain can now do little harm. Practically all of the sugar beets are harvested, some of the factories having already closed for the season. Celery will be benefited, as will other growing vegetable crops.

The storm came up in rather an unusual manner. Yesterday was an extremely warm day, and there was no thought of rain until long after dark when the breeze began to come from the southeast.

AT THE COURTHOUSE

TAKES AN ELECTION TO BREAK SAN JUAN TIE FOR CONSTABLE

Official Canvass of Returns is

Being Made by the

Supervisors

This morning the Board of Supervisors began the canvass of the returns of the general election held last Tuesday. The work is progressing rapidly, and may be completed by tomorrow night.

This morning the three precincts of San Juan township were canvassed with the idea of determining whether or not another election would be necessary to break the tie for constable in that township. The unofficial returns show John Combs 141; T. Goodwin 141. The canvass made no change. The tie still exists. In the primaries it was 91 to 91.

So far as the canvass has progressed, no changes of any consequence have been made.

The canvass shows that three justices of the peace of the county were defeated for re-election. W. T. Callahan, D. W. Hasson in Buena Park township; A. Philbrick defeated Roy G. Parker in Los Alamitos township, and C. W. Warner defeated J. W. Shirley in Huntington Beach township.
